AUTHORITY BUDGET

FISCAL YEAR:

FROM:10/01/2018

TO:09/30/2019

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2018/2018-2019 proposed Annual Budget and make comparison to the 2017/2017-2018 adopted budget for each operation. Explain any variances over +/-10% (As shown on budget page F-4 explains the reason for changes for each appropriation changing more than 10%) for each line item by operation. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item. For example, if anticipated service charges have increased 15% due to an increase in rates, provide documentation of how the increase occurred (Example Rate Increase authorized by resolution or by HUD).

| Cost of providing services | Increase/Decrea | se Reason |
|--------------------------------------|-----------------|---|
| Maintenance & Operations | -18.3% | Maintenance supervisor retired |
| Protective services | 16.7% | increase in security hours |
| Tenant Services | -100% | Tenant assoc.re-organizing |
| Insurance | 18.5% | Rate Increase |
| Terminal Leave Payment | 84,4% | Retirement benefits |
| Extraordinary Maintenance | 50% | Expansion boiler tank, main sewer line |
| · | | Cleaning, etc. |
| Replacement of non-expendable equip. | 762.6% | Replacement of obsolete security system |
| | | Replacement of obsolete Maint. Truck, |
| | | Obsolete lawn/snow blower equip. |

2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any. An increase or decrease is considered significant if it is over +/-10% (As shown on budget page F-2 explains reason for change for each revenue changing more than 10%) from the current year adopted budget.

Other Non-Operating Revenue increased 83.5% due to BCCG 2018 grant and CFP, etc.

3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.

The local/regional economy appears somewhat stable,

4. Describe the reasons for utilizing Unrestricted Net Position in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc. If the Authority's budget anticipates a use of Unrestricted Net Position, this question must be answered.

5. Identify any sources of funds transferred to the County/Municipality as a budget subsidy or a shared service and explain the reason for the transfer (i.e.: to balance the County/Municipality budget, etc.),

LHA does not transfer funds/or share a subsidy service with the County/Municipality.

6. The proposed budget must not reflect an anticipated deficit from 2018/2018-2019 operations. If there exists an accumulated deficit from prior years' budgets (and funding is included in the proposed budget as a result of a prior deficit) explain the funding plan to eliminate said deficit (N.J.S.A. 40A:5A-12). If the Authority has a net deficit reported in its most recent audit, it must provide a deficit reduction plan in response to this question. (Prepare a response to deficits caused by the implementation of GASB 68)

The Fiscal Year End Audit for September 30, 2017, reflects a positive UNP for the Conventional Program (Low-rent program) of \$378,496 and UNP for The Housing Choice Voucher Program of \$6,036.

The Net deficit in the most recent Audit report is caused by GASB 68, and GASB 68 is financed on a pay-as-you-go basis. In other words, as you clearly clarified in your Budget Exam Note of 12/03/2018, the LHA will continue to pay its yearly pension bill no matter how large it becomes and by doing that will eliminate the deficit over time.
