June 20, 2023

Dear Board of Commissioners, US Department of Housing and Urban Development and the State of New Jersey:

On behalf of Lodi Housing Authority of Lodi, New Jersey, I respectfully submit this annual financial report for the year ended September 30, 2022. I believe the information presented is accurate in all material aspects and that all disclosures necessary to enable the reader to gain an adequate understanding of the Authority's financial position and operations have been included. The accompanying financial statements included in this annual financial report have been prepared in conformity with accounting principles generally accepted in the United States of America. Responsibility for the accuracy, completeness, and fairness of the financial statements, presentation rests with the management of the Authority.

The 2022 Lodi Housing Authority Annual financial report consists of these sections:

- Introductory Section - this includes the independent auditor's report and a management discussion and analysis of our financial report.
- Financial Section - this includes the basic financial statements and notes and required supplementary information.
- Single Audit Section - this includes reports from the independent auditor on compliance and on internal control over financial reporting based on an audit of financial statements performed in accordance with Government Auditing Standards and on compliance with requirements applicable to each major program and on internal control over compliance in accordance with Title 2 US Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

Lodi Housing Authority realizes that its role as a means of housing for the low income and elderly in the community and the State of New Jersey has never been more important. The Authority has four projects of their own with over 200 units for low income and elderly tenants and over 400 Section 8 participants. The following pages report and analyze the financial position of Lodi Housing Authority.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Thomas DeSomma'.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Housing Authority of the Borough of Lodi
Lodi, New Jersey

Qualified Opinion

In my opinion, except for the possible effects of the matter described in the "Basis for Qualified Opinion" paragraph, the financial statement referred to above present fairly, in all material respects, the respective financial position of the Housing Authority, of the Borough of Lodi as of September 30, 2022 and 2021 and the respective changes in financial position, and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Authority, and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified and unmodified audit opinions.

I was unable to obtain sufficient audit evidence for the balances of the net OPEB liabilities, deferred outflows of resources, deferred inflows of resources, and OPEB expense relating to the Authority's defined benefit OPEB plan because the plan for the year ended September 30, 2022 had not yet been audited. Accordingly, the authority's net OPEB liability, deferred outflows of resources, deferred inflows of resources, and OPEB expense are reported at their 2021 amounts. I was unable to obtain sufficient appropriate audit evidence for the balances of both liabilities, deferred outflows of resources, deferred inflows of resources, and expenses relating to both defined plans by other auditing procedures. Because the audited actuarial report for both plans has not been released, it is not practicable to quantify the financial effects of this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the Schedule of the Authority's Proportionate Share of the Net Pension Liability and Net OPEB liability as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority's basic financial statements. The accompanying financial information, the schedule of budgetary comparison and Financial Data Schedule as listed in HUD supplementary information in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The Financial Data Schedule and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the combining statements of net position, activities and changes in net position, financial data schedule and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated June 20, 2023, on my consideration of the Housing Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Housing Authority's internal control over financial reporting and compliance.

HOUSING AUTHORITY OF THE BOROUGH OF LODI, NEW JERSEY

MANAGEMENT'S DISCUSSION AND ANALYSIS

September 30, 2022

As management of the Housing Authority of the Borough of Lodi, New Jersey we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the years ended September 30, 2022 and September 30, 2021. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements, which begin on page 8.

FINANCIAL HIGHLIGHTS

2022

- The Assets and deferred outflows of the Authority exceeded its liabilities by \$ 239,863, total net position.
- The Authority's unrestricted cash balance at September 30, 2022 was \$1,651,239 representing an increase of \$496,850 from September 30, 2021.
- The Authority had intergovernmental revenues of \$ 6,842,830 HUD operating grants for the year ended September 30, 2022.

2021

- The assets and deferred outflows of the Authority were in a deficit position at the close of the most recent fiscal year by (\$615,341) deficit net position.
- The Authority's unrestricted cash balance at September 30, 2021 was \$1,154,389 representing a decrease of \$51,271 from September 30, 2020.
- The Authority had intergovernmental revenues of \$6,709,074 HUD operating grants for the year ended September 30, 2021.

MANAGEMENT'S DISCUSSION AND ANALYSIS – CONTINUED

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements included in this annual report are those of a special-purpose government engaged only in a business-type activity. The following statements are included:

- Statement of Net Position – reports the Authority's current financial resources (short term spend able resources) with capital assets and long-term debt obligations.
- Statement of Revenues, Expenses and Changes in Fund Net Position – reports the Authority's operating and non-operating revenues, by major source along with operating and non-operating expenses and capital contributions.
- Statement of Cash Flows – reports the Authority's cash flows from operating, investing, capital and non-capital activities

FINANCIAL ANALYSIS OF THE AUTHORITY

MANAGEMENT'S DISCUSSION AND ANALYSIS – Continued

Statement of Activities – continued

Governmental operating revenue includes the annual operating subsidies for the low rent and capital grants made available by the U.S. Housing and Urban Development (“HUD”). LHA also generated over 1.5 million in tenant revenue which helped offset LHA’s administrative expenses.

Other Information

The Authority has been designated a High Performer as per the PHAS Certification and as well their SEMAP Certification.

CONTACTING THE AUTHORITY’S FINANCIAL MANAGEMENT

The financial report is designed to provide a general overview of the Authority’s finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Office of the Executive Director, Housing Authority of the Borough of Lodi, New Jersey, 50 Brookside Avenue, Lodi, New Jersey 07644, or call (973) 470-3650.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Program Description

The Housing Authority of the Borough of Lodi (herein referred to as the Housing Authority) was organized under the laws of the State of New Jersey and operates under an Annual Contributions Contract (ACC) with the United States Department of Housing and Urban Development (HUD) to provide low-income housing to eligible participants under the United States Housing Act of 1937, as amended. The formation and operation of the Housing Authority is governed by the Act, and administered by HUD under the Annual Contributions Contracts.

The Authority is governed by a board of Directors appointed locally. An Executive Director is appointed by the housing authority's Board to manage the day-to-day operations of the Authority.

Low Rent Housing Program

This program provides low-rent housing to qualified residents of the Borough of Lodi, New Jersey. All units are owned and operated by the Housing Authority and were purchased with financing arranged or provided through HUD. The operations of the program are subsidized by HUD through an Annual Contributions Contract. Operating subsidy contributions for the years ended September 30, 2022 and 2021 were \$343,488 and \$472,800 respectively, and are included in operating subsidies in the combined statement of revenues, expenses and changes in net assets.

Housing Choice Voucher Program

This program allows for existing privately-owned housing units to be used for low-income housing. This program assists low-income families and persons to find and lease a house or apartment. After inspecting the unit, The Housing Authority assists the resident in negotiating a lease under HUD rules and regulations for the program. After the lease is signed, the resident pays a share of the rent according to HUD guidelines, and the remainder is subsidized by the Housing Authority through HUD funding.

The Housing Authority earns a fee for administering the annual contributions from HUD. This fund accounts for the revenues and expenses associated with providing administrative services.

Capital Fund Program Grants

Capital fund grants are recognized as revenues in the combined statement of revenues, expenses and changes in net assets in accordance with GASB Statement No. 34. Capital grants support the development, modernization and operation of public housing developments.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

B Reporting Entity

In determining how to define the reporting entity, management has considered all potential component units. The decision to include a component unit in the reporting entity is made by applying the criteria set forth by GASB. These criteria include manifestation of oversight responsibility including financial accountability, appointment of a voting majority, imposition of will, financial benefit to or burden on primary organization, financial accountability as a result of fiscal dependency, potential for dual inclusion, and organizations included in the reporting entity although the primary organization is not financial accountable. Based on these criteria, there are no additional agencies which should be included in the financial statements of the Housing Authority.

C - Basis of Accounting

The Authority's financial statements represent the net position and results of operations of the housing authority and have been prepared in accordance with generally accepted accounting principles (GAAP) of the United States of America as applied to governmental entities.

The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The housing authority maintains their accounts substantially in accordance with the chart of accounts prescribed by HUD and are organized utilizing the fund accounting model. A fund is an independent entity with a self-balancing set of accounts.

The housing authority accounts for its operations in a single enterprise fund. Enterprise funds account for those operations financed and operated in a manner similar to a private business or where the housing authority has decided that determination of revenue earned, costs incurred and net revenue over expenses is necessary for management accountability.

Enterprise funds are proprietary funds used to account for business activities of special purpose governments for which a housing authority qualifies under GASB No. 34 "*Basic Financial Statements – and Management's Discussion and analysis – for State and Local Governments.*"

Proprietary funds are accounted for using the economic resources measurement focus and the accrual basis of accounting, whereby all revenues are recognized in the period in which they are earned and expenses are recognized in the period in which the liability is incurred regardless of the timing of the cash flows. All assets and deferred outflows and liabilities and deferred inflows associated with the operation of the Authority are included in the statements of net position. The statements of revenues, expenses and changes in net position present increases (revenues and capital contributions) and decreases (expenses) in total net position.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

C - Basis of Accounting – continued

New Accounting Standards Adopted:

GASB Statement No. 87, *Leases*, is effective for the year ending June 30, 2022. Its objective is to improve accounting and financial reporting for leases by governments by establishing a single model for lease accounting based on the principle that leases are financing of the right to use an underlying asset. It requires recognition of certain lease assets and liabilities that were previously classified as operating. Statement has no effect on these statements.

GASB Statement No. 90, *Majority Equity Interest*, is effective for the year ending June 30, 2021. This statement amends GASB Statement No. 14 and GASB Statement No. 61 and defines a majority equity interest and specifies how a majority equity interest in a legally separate organization should be reported.

GASB Statement No. 93, *Replacement of Interbank Offered Rates*, establishes accounting and reporting requirements related to the replacement of Interbank Offered Rates such as the London Interbank Offered Rate (LIBOR) for hedging derivative instruments. As a result of global reference rate reform, LIBOR is expected to cease to exist in its current form after December 31, 2021. The requirements of this statement, except for paragraphs 11b, 13 and 14 are effective for the year ending June 30, 2021. The removal of LIBOR as an appropriate benchmark interest rate, as referenced in paragraph 11b of this statement, is effective for the year ending June 30, 2022. The requirements for leases, as referenced in paragraphs 13 and 14 of this statement, are effective for the year ending June 30, 2022.

New Accounting Standards not yet adopted:

GASB Statement No. 91, *Conduit Debt Obligations*, is effective for the year ending June 30, 2023. This statement provides a single method of reporting conduit debt obligations by issuers and eliminates diversity in practice associated with commitments extended by users, arrangements associated with conduit debt obligations, and related note disclosures.

GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, is effective for the year ending June 30, 2023. This statement provides guidance on accounting for Subscription-Based Information Technology Arrangements (SBITA) where the government contracts for the right to use another party's software. The standards for SBITAs are based on the standards established in GASB Statements No. 87, *Leases*.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

Budgeting and Budgetary Accounting

The Authority prepares an annual operating and capital budget for all programs in accordance with HUD requirements. The budget is formally adopted by resolution of the Authority's Board of Directors. Once adopted, the Board of Directors may amend the adopted budget when unexpected modifications are required in estimated revenues and expenses. The budget is prepared on a detailed line-item basis.

D – Cash and Cash Equivalents

The Authority considers all securities, including certificates of deposits and short-term investments, with maturities of three months or less to be cash equivalents.

E – Accounts Receivable

Rents are due from tenants on the first day of each month. An allowance for doubtful accounts is established to provide for accounts which may not be collected in the future for any reason.

The authority recognizes receivables from HUD and other governmental agencies for amounts earned and billed but not received and for amounts earned but unbilled, as of year-end.

F - Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from these estimates.

G – Capital Assets

Capital assets include land, structures and equipment recorded at cost and is comprised of property betterments and additions, and modernization program costs. Charges for maintenance and repairs are expensed when incurred. The authority depreciates these assets over their estimated useful lives using the straight-line method of depreciation.

<u>Category</u>	<u>Useful lives (in Years)</u>
Buildings	30 - 40 years
Improvements	30 - 40 years
Furniture and Equipment	5 - 10 years
Vehicles	5 - 10 years
Computer equipment	5 - 10 years

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

Impairment of Capital Assets

GASB Statement No., 42, *Accounting and Financial reporting for Impairment of Capital Assets and for the Insurance Recoveries*, established accounting and financial reporting standards for impairment of capital assets. A capital asset is considered impaired when its service utility has declined significantly and unexpectedly. The housing authority is required to evaluate prominent events of changes in circumstances affecting capital assets to determine whether impairment of a capital asset has occurred. No such events or circumstances were encountered as of September 30, 2021 and 2020.

H – Accrued Compensated absences

Accumulated unpaid leave time is accrued at the estimated amounts of future benefits attributable to services already rendered.

I – Equity Classifications

Equity is classified as net position and displayed in three components:

Net Investment in Capital Assets – consists of any capital assets, net of accumulated depreciation and reduced by any outstanding balances of loans, notes or mortgages

Restricted Net Position - consists of the net amount of assets with constraints placed on the use either by (1) external groups such as creditors, grantors, laws or regulations of other governments, or (2) law through constitutional provisions or enabling legislation.

Unrestricted Net Position – all other net amounts of assets that do not meet the definition of “restricted” or “net investment in capital assets”.

J – Use of Restricted Assets

When both restricted and unrestricted resources are available for a particular restricted use, it is the Authority’s policy to use restricted resources first, and then unrestricted resources as needed.

K - Operating Revenues and Expenses

The Authority defines its operating revenues as income derived from charges to residents and others for services provided, and in the management of Authority assets. Its operating expenses are costs incurred in the operation of its program activities to provide services to residents and others. The Authority classifies other revenues and expenses as non-operating.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

L - Income Taxes

The housing authority is a New Jersey municipal authority and, as such, is exempt from income taxes and other state and local taxes. The housing authority believes it has not engaged in any activities for which its tax-exempt status would not be sustained under Internal Revenue Service examination or that would require filing of an income tax return for unrelated business income taxes.

M - Economic Dependency

The Section 8 and Low Rent Housing Programs of the Authority are economically dependent on operating grants and subsidies from HUD.

NOTE 2 – CASH AND CASH EQUIVALENTS –

Cash consists primarily of cash in checking accounts. Cash is classified as “Unrestricted” and “Restricted” for financial presentation purposes based on HUD guidance:

- Cash – Unrestricted includes cash available for program purposes including current operations, working capital and reserves. Because the funds are not tied to a certain program or property, they are classified as unrestricted.
- Cash – Restricted includes cash to be expended for specific purposes based on the sources of the money. The housing authority’s restricted cash generally includes: housing choice voucher funds and resident security deposits.

All funds on deposits are FDIC insured up to \$250,000 per institution or are fully collateralized in accordance with guidance recommended by HUD.

As of September 30, 2022 and 2021 cash and cash equivalents consisted of the following:

	2022	2021
Low rent	1,360,374	977,546
Section 8 Housing Choice	435,278	376,528
	-	-
	1,795,652	1,354,074

NOTE 3 – RECEIVABLES

Accounts Receivable as of September 30, 2022 and 2021

	2022	2021
Tenant accounts receivable	4,538	6,339
Due from Other Government	30,226	100,000
Other	125,942	335,751
Total accounts receivable	160,706	442,090
Less: allowance for doubtful accounts	(2,354)	(2,534)
	158,352	439,556

NOTE 4 – RISK MANAGEMENT

The Authority is exposed to various risks of potential liabilities, such as theft of, damage to and destruction of assets; errors and omissions; injuries to employees and natural disasters. In order to deal with these potential liabilities, the Authority's risk management program consisted of various insurance policies covering each of these risks. The Authority believes such coverage is sufficient to preclude any significant uninsured losses to the Authority.

NOTE 5 - FIXED ASSETS

Changes in capital assets for 2022 consisted of:

	2021	additions	disposals	transfers	2022
Non-depreciable capital assets:

NOTE 12 – Deferred Outflows/Inflows of Resources – Deferred outflows of resources represent a consumption of net position that applies to a future period(s) and will not be recognized as an outflow of resources (expense) until then. Deferred outflows of resources consist of unrecognized items not yet charges to pension expense and contributions from the employer after the measurement date but before the end of the employer's reporting period.

Deferred inflows of resources represent an acquisition of net position that applies to a future period(s) and will not be recognized as an inflow of resources until that time. These inflows consist of unamortized portion of the net difference between projected and actual earnings on pension plan investments.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 13 – PENSION PLAN

Description of Plan

The Authority participates in the Public Employees Retirement System (PERS), a cost-sharing multiple employers defined benefit pension plan administered by the Division of Pensions within the Department of Treasury, State of New Jersey. It is a cost-sharing, multiple-employer defined benefit pension plan. The PERS was established on January 1, 1955 under the provisions of N.J.S.A. 43:15A. to provide coverage, including post-retirement health care, for substantially all full-time employees of the state, its counties, municipalities, school districts or public agencies, provided the employee is not a member of another state administered retirement system. Membership is mandatory for such employees.

Vesting and Benefit Provisions

The vesting and benefit provisions for the PERS are set by N.J. S.A. 43:15A and 43:3B. All benefits vest after ten years of services, except for medical benefits that vest after 25 years of service. Retirement benefits for age and service are available at age 60 and are generally determined to be 1/55 of the final average salary for each year of service credit, as defined.

Funding Requirements - PERS

The contribution policy is set by N.J.S.A. 43:15A, Chapter 62, P.L. of 1994 and Chapter 115, P.L. of 1998, and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. Employers' contributions are actuarially determined annually by the

The Authority's total contributions to PERS for the year ended September 30, 2022 was \$ 169,585.

Net Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – at September 30, 2022, the Authority reported a liability of \$2,029,479 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Authority's proportion of the net pension liability was based on the authority's share of contributions to the pension plan relative to the contributions of all PERS participating employers. At June 30, 2022, the authority's collective proportion percentage was .01394479415%

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 13 – PENSION PLAN – continued

For the year ended the authority recognized pension expense (benefit) of \$(91,656). At September 30, 2022, the authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

					9/30/2022		9/30/2021	
					Deferred	Deferred	Deferred	Deferred
					Outflows	Inflows	Outflows	Inflows
Differences between expected and actual experiences					\$ 14,648	\$ 12,917	\$ 35,419	\$ 6,879
Changes in assumptions					6,288	303,893	63,105	814,480
Net difference between projected and actual earnings on pension plan investments					83,998		66,489	-
Changes in proportion and differences between Authority contributions and proportionate share of contributions					232,333	34,134	124,408	148,355
Total					\$ 337,267	\$ 350,944	\$ 289,421	\$ 969,714

Amounts reported as deferred outflows and deferred inflows of resources related to pensions will be recognized in pension expenses as follows:

Year Ended Sept., 30	Total
2023	\$ (2,735)
2024	\$ (2,735)
2025	\$ (2,735)
2026	\$ (2,735)
2027	\$ (2,735)
	\$ (13,677)

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 13 – PENSION PLAN – continued

Actuarial assumptions – the total pension liability in the June 30, 2019 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Rate of inflation: price	2.75%
Wage	3.25%
Rates of salary increases:	
through 2026	2.00 – 6.00%
	based on years of service
Thereafter	3.00 – 7.00%
	based on years of service
Investment rate of return	7.00%

Mortality rates were based on the Pub-2010 General Below-Median Income Employee Mortality tables with an 82.2% adjustment for males and 101.4% adjustment for females., as appropriate, with adjustments for mortality improvements based on Scale AA.

In accordance with State statute, the long-term expected rate of return on pension plan investments (7.00%at June 30, 2019) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pension and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best estimate ranges of expected future real rates of return are developed for each major class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major class included in PERS's target asset allocation as of June 30, 2022 are summarized in the following table:

				Long-Term
				Expected Real
				Rate of Return
Asset Class				Allocation
US Equity				27.00%
Non-US developed markets equity				13.50%
Emerging Markets equity				5.50%
Private equity				13.00%
Real Estate				8.00%
Real assets				3.00%
High Yield				4.00%
Private credit				8.00%
Investment grade credit				7.00%
Cash Equivalents				4.00%
U.S. Treasuries				4.00%
Risk Mitigation Strategies				3.00%

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 13 – PENSION PLAN – continued

Discount Rate - the discount rate used to measure the total pension liability was 6.28% as of June 30, 2022. This single blended discount rate was based on the long-term expected rate of return on pension plan investments of 7.00%, and a municipal bond rate of 3.50% as of June 30, 2019, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made based on the average of the last five years of contributions made in relation to the last five years of actuarially determined contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2046. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments through 2057, the municipal bond rate was applied to projected benefit payments after that date in determining the total pension liability.

Sensitivity of the Authority's Proportionate Share of Net Pension Liability to changes in the Discount Rate – the following represents the Authority's proportionate share of the net pension liability calculated using the discount rate of 6.28 percent, as well as what the authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (4.66 percent) or 1-percentage point higher (6.66 percent) than the current rate,

	1% Decrease	Discount Rate	1% Increase
	6.00%	7.00%	8.00%
Authority's proportionate share of			
the net pension liability	2,629,368	2,029,479	1,550,765

Note 14 – OTHER POST EMPLOYMENT BENEFITS

The information required to present the schedule of changes in net OPEB liability was not available as of September 30, 2022 and the date of this report. The net OPEB liability and deferred inflow and outflow amounts have not changed from the prior fiscal year. The information needed in order to reflect the September 30, 2022 balances for the net OPEB liability, deferred inflows, and deferred outflows was unavailable as of the date of this report. NOTE 14. – OTHER POST EMPLOYMENT BENEFITS - (continued)

Plan Description

The State Health Benefit Local Government Retired Employees Plan ("SHBP") is a cost-sharing multiple employers defined benefit OPEB plan administered by the State of New Jersey, Division of Pensions and Benefits (the "Division"). It covers employees of local government employers that have adopted a resolution to participate in the SHBP. For additional information about SHBP, please refer to the Division's Comprehensive Annual Financial Report ("CAFR"), which can be found at <https://www.state.nj.us/treasury/pension/financial-reports.shtml>.

Benefits

SHBP provides medical and prescription drug to retirees and their covered dependents of the employers. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of services credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiation's agreement.

Pursuant to Chapter 78, P.L., 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At September 30, 2022, the Authority reported a liability of \$3,751,704 for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2021. Current numbers will be adjusted upon issuance of state audit report.

YEARS ENDED SEPTEMBER 30, 2022 and 2021

D - Actuarial Assumptions

The total OPEB liability for the June 30, 2020 measurement date was determined by an actuarial valuation as of June 30, 2020. This actuarial valuation used the following assumptions:

Inflation Rate 2.50%

Salary increases:

Through 2026 2.00 to 6.00%, based on years of service

Thereafter 3.00 – 7.00%, based on years of service

Mortality:

PERS Pub-2010 General classification headcount weighted mortality with
Fully generational mortality improvement projections from the central
Year using Scale MP-2019

PFRS Pub-2010 safety classification headcount weighted mortality with
Fully generational mortality improvement projections from the central
Year using Scale MP-2019

Actuarial assumptions used in the July 1, 2018 valuation were based on the results of the PFRS and PERS experience studies prepared for July 1, 2013 to June 30, 2018 and July 1, 2014 to June 30, 2018, respectively.

100% of active members are considered to participate in the Plan upon retirement.

E: Discount Rate

The discount rate used to measure the total OPEB liability was 3.50% as of June 30, 2020. This represents the municipal bond return rate chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 13. – OTHER POST EMPLOYMENT BENEFITS - (continued)

F: Sensitivity of the Authority's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate

The following presents the Authority's proportionate share of the net OPEB liability calculated using the discount rate of 3.50%, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (2.50%) or 1 percentage point higher (4.50%) than the current

		1% Decrease	Discount Rate	1% Increase
Authority's proportionate share of				
the net OPEB liability		4,415,025	3,751,694	3,225,991

G: Health Care Trend Assumptions

For pre-Medicare preferred provider organization ("PPO") and health maintenance organization ("HMO") medical benefits, the trend rate is initially 5.7% and decreases to a 4.5% long-term trend rate after eight years. For post-65 PPO and HMO medical benefits, the trend rate is 4.5% For prescription drug benefits, the initial trend rate is 7.5% decreasing to a 4.5% trend rate after eight years.

H: Sensitivity of the Authority's Proportionate Share of the Net OPEB Liability to Changes in the Health Care Trend Rate

The following presents the Authority's proportionate share of the net OPEB liability calculated using the healthcare trend rate as disclosed above, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a healthcare trend rate that is 1 percentage point lower or 1 percentage point higher than the current rate.

			Healthcare cost	
		1% Decrease	Trend rate	1% Increase
Authority's proportionate share of				
the net OPEB liability		3,130,177	3,751,694	4,562,698

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED SEPTEMBER 30, 2022 and 2021

NOTE 14 – LITIGATION

The Authority has also been involved in numerous claims against present and former tenants regarding unpaid rents and damage claims. The Authority has proceeded according to the HUD guidelines in these cases.

NOTE 15 – PRIOR PERIOD ADJUSTMENT

The authority made a prior period adjustment in the amount of \$ 359,523 to correct the opening net position in conjunction with correcting the net OPEB liability and related deferred outflows and inflows of resources. These amounts were not available at the time of issuance of last year's audit report.

NOTE 16 – SUBSEQUENT EVENTS

In preparing the financial statements, the Housing Authority has evaluated events and transactions for potential recognition or disclosure through June 20, 2023 the date the financial statements were available to be issued. The authority has found no uncertainties to be recognized.

HOUSING AUTHORITY OF THE BOROUGH OF LODI
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED SEPTEMBER 30, 2022

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Authority under programs of the federal government for the year ended September 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2, U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of operations of the Housing Authority, it is not intended to and does not present the financial position, changes in net position or cash flows of the Housing Authority of the Borough of Lodi.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- 1 Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- 2 . The entity did not elect to use the 10 percent de minimis indirect rate.
- 3 The authority was not a subrecipient of any federal awards and did not pass through any federal awards to subrecipients
- 4 The Housing Authority of the Borough of Lodi received grant funding for various programs through the Coronavirus Aid relief and Economic Security Act (Cares Act), enacted on March 27, 2020. No new CFDA number was issued for the CARES Act funding, therefore the supplemental funding is reported under the CFDA number associated with the program on the Schedule where expected.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Housing Authority of the Borough of Lodi
Lodi, New Jersey

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing Authority of the Borough of Lodi, as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Housing Authority's basic financial statements, and have issued our report thereon dated June 20, 2023.

Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Housing Authority of the Borough of Lodi's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of the Borough of Lodi's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
Lodi Housing Authority
Lodi, New Jersey

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

I have audited Lodi Housing Authority's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended September 30, 2022. Lodi Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs

In my opinion, Lodi Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). My responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

I am required to be independent of Lodi Housing Authority and to meet my other ethical responsibilities, in accordance with relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on compliance for each major federal program. My audit does not provide a legal determination of Lodi Housing Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Lodi Housing Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

My objectives were to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Lodi Housing Authority's compliance based on my audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Lodi Housing Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Lodi Housing Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Lodi Housing Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Lodi Housing Authority's internal control over compliance. Accordingly, no such opinion is expressed.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that I identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during my audit I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

My audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of My testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
